ACCESSORIES	Price	Qty	Total	GST	Grand
Standard Fast Fixed Hinges	\$10.00	8	\$80.00	\$8.00	\$88.00
Magnetic Latch Supply and Fit	\$10.00	5.000	\$50.00	\$5.00	\$55.00
Face Fix Hinges	\$20.00	2	\$40.00	\$4.00	\$44.00
Sum	--	--	\$170.00	\$17.00	\$187.00

Please indicate the position of Locks or Hardware of each panel (refer to above graphics).

Blade Configuration in most cases of a Shutters R Us design results in an infill blade to make a full blade is not possible. This infill is usually at the top of the panel and appears as a neat matching blade.

Framing to your window/door opening: As expected in nearly all cases the openings are not square or plumb. The result is that our precision made shutters being perfectly square will not accept any discrepancy. The solution at a further cost to the client is to provide an alternative solution to have square and true. This installation best suits face fitted panels or plain set or rendered walls.

We do not add flashing or gaskets on buildings unless specified in Australian Construction Standards.

ABS & Plastic Components

Operating components/ end caps will match the closest colour to the body of the panel colour. Standard components are based on complete and cap to body colours: All tones of Whites - Soft White. Body Colours: All tones of Creams, Beiges, Whites. Body Colours: All tones of Greys, Blues, Anodized, Grey/Brown blends - Grey. Body Colours: Black - Black. Assemblies are constructed on the discretion of the manufacturer on the above mentioned practice. Special colour production in minimum quantities to justify the production costs at the cost to the project quoted in the quote.

Allow \$135 for each colour matching service. We will send you 2 colour chips for approval and require one to be signed on the back as approved and sent back to us.

We will charge \$25/m² circumferential coverage to paint your custom colour, this accounts for a rebate of the standard colour already charged in the Standard Price List.
